return must be served and filed within 15 days after the filing of the return. (Cal. Rules of Court, rule 8.487(b); rule references are to the Rules of Court.)

In addition to any other issues the parties may wish to address, the court requests that the parties particularly focus on and address whether and to what extent Government Code section 11183 provides a basis for the California Department of Justice to withhold or redact records requested pursuant to Senate Bill No. 1421, including any legislative history relevant to this issue.

The justices will be familiar with the facts and issues, will have conferred among themselves on the case, and will not require oral argument. If oral argument is requested, the request must be filed and served within 10 days of the date of this order. If no request for oral argument is filed on or before that date, the matter will be submitted at such time as the court approves the waiver and the time for filing all briefs and papers has expired. (Rule 8.256(d)(1).) If oral argument is requested, the court will notify the parties of the exact date and time set for oral argument, which will occur before Division Three of this court at the courtroom located on the fourth floor of the State Building, 350 McAllister Street, San Francisco, California.

This order to show cause is to be filed and served on or before February 6, 2023. It shall be deemed served once the clerk of this court transmits certified copies of this order via TrueFiling to all parties to this proceeding and to respondent superior court.
