2. As the Legislature declared in adopting a landmark law on disclosure of police records, “The public has a strong, compelling interest in law enforcement transparency because it is essential to having a just and democratic society.” S.B. 1421, § 4, 2017–18 Reg. Sess. (Cal. 2018) (codified at Penal Code §§ 832.7–832.8).

4. Consistent with these principles, FAC and the public are entitled to disclosure of the records at issue under the California Public Records Act, Gov't Code § 7920.000 *et seq.* ("Public Records Act"), the California Constitution, Cal. Const. art. I, § 3(b), and recent laws that mandate openness in records related to significant uses of force by peace officers, Penal Code § 832.7(b); Gov't Code § 7923.625.

5. Yet, except for a redacted call log, the City has withheld *every* responsive record related to this incident *in full* based on a laundry list of exemptions that are entirely foreclosed by controlling law and cannot justify the City's near-blanket denial of FAC's request. To bring the City into compliance with California law and vindicate FAC's and the public's right of access to records regarding SDPD's use of force against Mr. Evans, this Petition should be granted.

1 **PARTIES**

2 6. FAC is a non-profit organization headquartered in San Rafael, California, dedicated
3 to enforcing the people's right of access to information under the Public Records Act and Article I,
4 section 3(b) of the California Constitution, enacted by the people's 83-percent vote for Proposition
5 59 in 2004. FAC is a person within the meaning of Government Code section 7920.520 and a
6 member of the public within the meaning of Government Code section 7920.515.

7 7. Respondent City of San Diego ("respondent" or "the City") is a local agency under
8 Government Code section 7920.510 that is in possession of the records requested by FAC and
9 located in San Diego County.

10 **JURISDICTION AND VENUE**

11 8. According to Government Code section 7923.000, "[a]ny person may institute a
12 proceeding for injunctive or declarative relief, or for a writ of mandate ... to enforce that person's
13 right under" the Public Records Act "to inspect or to receive a copy of any public record or class
14 of public records."

15 9. According to Government Code section 7923.100, "[w]henver it is made to
16 appear, by verified petition to the superior court of the county where the records or some part
17 thereof are situated, that certain public records are being improperly withheld from a member of
18 the public, the court shall order the officer or other person charged with withholding the records to
19 disclose those records or show cause why that person should not do so."

20 10. The relief sought by Petitioner is authorized under Government Code sections
21 7923.000 and 7923.100, Code of Civil Procedure sections 1060 and 1085, and Article 1, section
22 3(b) and Article VI, section 10 of the California Constitution.

23 11. Venue is proper under Code of Civil Procedure sections 394 and 395 and
24 Government Code section 7923.100. Petitioner is informed and believes that the records to which
25 it seeks access are in San Diego County and that the acts and events giving rise to the claim
26 occurred in San Diego County.

1 **FACTUAL BACKGROUND**

2 12. Just before midnight on October 24, 2024, SDPD officers responded to a 911 call
3 that led them to a residence near the 6400 block of Duluth Avenue in San Diego.

4 13. The SDPD officers involved in all actions described in this Petition are peace
5 officers under California law.

6 14. The ensuing use of force by SDPD officers against Mr. Evans was captured, in part,
7 on video by a local videographer. 619 News Media, *CAUGHT ON CAMERA: K9 Takes Down*
8 *Suspect*, Youtube (Oct. 25, 2024), <https://www.youtube.com/watch?v=L2ERgHIR80k>.

9 15. The video shows that officers instructed occupants to exit the residence, and that
10 three occupants did so with their hands raised and were then apprehended by SDPD officers.
11 Mr. Evans followed. At first, his hands were raised as well. He moved slowly, and he was only
12 wearing basketball shorts. He was barefoot and shirtless and told the officers that he was unarmed.
13 According to the video, he then began asking that the officers explain their presence and insisted
14 that he had done nothing wrong.

15 16. One or more SDPD officers eventually shot Mr. Evans with three “beanbag”
16 shotgun rounds, hitting him in the torso and shin and near his groin. One or more SDPD officers
17 also deployed a K-9 unit against Mr. Evans twice. The second time, the dog bit and clung to Mr.
18 Evans’ arm, jerking it from side to side while officers finally moved in to arrest him. Mr. Evans
19 said, “I can’t feel my arm,” as SDPD officers gathered around him.

20 17. As Mr. Evans writes in the complaint in his lawsuit against the City and various
21 officers arising from this incident, “The K9 officer’s teeth remained attached to [Mr. Evans],
22 vigorously shaking him around for approximately forty (40) seconds while [Mr. Evans] screamed
23 in pain and confusion.” A true and correct copy of Mr. Evans’s civil complaint is attached hereto
24 as **Exhibit A**.

25 18. Video of the incident shows that Mr. Evans repeatedly cried out in pain and
26 pleaded with the officers to stop using force against him. Mr. Evans has not been charged with any
27 crime based on the incident.
28

1 19. SDPD’s use of force on Mr. Evans was widely covered in the media. *See, e.g.,*

15 20. Mr. Evans made a Government Claims Act claim to the City based on this incident.
16 The claim states that he suffered “serious and traumatic injuries,” for which he was “transported
17 ... to the hospital,” as a result of the City’s use of force against him.

18 21. According to the claim, “The injuries resulted from being shot by beanbag rounds
19 multiple times, and also his left arm was mauled by the K9 unit.” A true and correct copy of Mr.
20 Evans’s claim obtained from the City, as redacted by the City, is attached hereto as **Exhibit B**.

21 22. His counsel elaborated, according to a news report, that “[a] bean bag round had
22 torn a piece out of one of his shins” and he was unable to return to work at his construction job.
23 Martinez, *supra*.

24 23. Mr. Evans’s counsel also stated that he had bruised ribs and tendon damage. Chen,
25 *supra*.

26 24. According to Mr. Evans’s counsel, “Weeks after the arrest,” Mr. Evans “still
27 couldn’t work, or walk. He had to change the dressing on his shin twice a day. He had trouble
28

opening and closing his left hand, and gripping. A bruised rib made it hard to take deep breaths.”
Hyson & Castillo, *supra*.

25. Mr. Evans reports in his civil complaint against the City arising from the incident that, as a result of the beanbag rounds fired by SDPD officers, he suffered “severe[]” injuries “including, but not limited to, breaking his right tibia.” Ex. A at 7:26–8:1.

26. The use of force by one or more SDPD officers caused Mr. Evans “great bodily injury” within the meaning of Penal Code section 832.7(b)(1)(A)(ii) and Government Code section 7923.625(e)(2).

27. The discharge of three beanbag rounds from a shotgun by one or more SDPD officers at Mr. Evans constituted the “discharge of a firearm” at a person within the meaning of Penal Code section 832.7(b)(1)(A)(i) and Government Code section 7923.625(e)(1).

28. SDPD’s beanbag shotguns are “standard Remington Model 870, 12-gauge shotgun[s] that [have] been modified with an orange stock and fore-end.” SDPD, *San Diego Police Department Procedure: Kinetic Energy Weapon Systems* (IV)(C) (2022), <https://www.sandiego.gov/sites/default/files/138-extendedrangeimpactweaponseriw.pdf> [hereinafter SDPD Procedure: KEW]. A true and correct copy of SDPD Procedure: KEW is attached hereto as **Exhibit C**.

29. Such a shotgun is a firearm as defined in Penal Code section 16520(a) because it is “a device, designed to be used as a weapon, from which is expelled through a barrel, a projectile by the force of an explosion or other form of combustion.”

30. In using the term “firearm” in Penal Code section 832.7(b)(1)(A)(i) and Government Code section 7923.625(e)(1), the Legislature intended to incorporate the definition of firearm found in Penal Code section 16520(a).

31. According to SDPD, the “[b]eanbag ammunition” used by its officers is 12-gauge KEW ammunition, commonly known as a beanbag round, [and] consists of a fabric sock containing lead shot contained within a standard 2 ¾ inch shot shell casing. The current Department-authorized round is manufactured by Combined Tactical Systems (12-gauge round, shot-filled flexible sock, approximately 40 grams, with an opaque shell, labeled “2581 Super-Sock”).

Ex. C, SDPD Procedure: KEW, at (IV)(D).

1 32. On March 12, 2025, FAC requested from the City copies of the following records
2 related to SDPD's "arrest of or use of force on Marcus Evans on or about October 25, 2024 (the
3 'Incident')":

4 1. All video or audio recordings relating to or depicting the Incident.

5 2. All records relating to any report, investigation, or findings concerning the
6 Incident, including but not limited to any incident reports; investigative reports;
7 photographs; transcripts or recordings of interviews; materials compiled and
8 presented for review to the district attorney or to any person or body charged with
9 determining whether to file criminal charges against an officer in connection with
10 an incident, whether the officer's action was consistent with law and agency policy
11 for purposes of discipline or administrative action, or what discipline to impose or
corrective action to take; documents setting forth findings or recommended
findings; and copies of disciplinary records relating to the incident, including any
letters of intent to impose discipline, any documents reflecting modifications of
discipline due to the Skelly or grievance process, and letters indicating final
imposition of discipline or other documentation reflecting implementation of
corrective action.

12 The City designated FAC's request "Request 25-1937" ("the Request"). A true and correct copy of
13 the web page for the Request on the City's NextRequest website which accurately presents the
14 content of the Request and the City's response thereto is attached hereto as **Exhibit D**.

15 33. On March 21, 2025, the City responded to the Request by partially disclosing a
16 single, redacted call log document but withholding all other records responsive to the Request in
17 their entirety. A true and correct copy of the partial, redacted call log that the City disclosed to
18 FAC is attached hereto as **Exhibit E**.

19 34. In refusing to disclose virtually all the records requested by FAC, the City stated, in
20 substance, that (1) body worn camera records were withheld pursuant to Government Code section
21 7923.600; (2) "911/Audio files/Talk Radio" records were withheld pursuant to Government Code
22 sections 7922.000, 7923.600, 7923.615 and *Haynie v. Superior Court*, 26 Cal. 4th 1061 (2001);
23 (3) the CAD report was redacted pursuant to Government Code sections 7923.600 and 7922.000;
24 and (4) "[a]ll records relating to any report, investigation, or findings concerning the Incident"
25 were withheld pursuant to Government Code sections 7923.600 and 7927.705. The City's
26 response also noted that SDPD does not transcribe calls.

27 35. The exemptions cited by the City do not justify the City's near-blanket withholding
28 of the records sought by FAC's Request and this Petition. The records sought by FAC's Request

1 and this Petition are subject to disclosure under the Public Records Act and Article I, section 3(b)
2 of the California Constitution. The City's near-total denial of FAC's Request violates the Public
3 Records Act, Article I, section 3(b) of the California Constitution, and Penal Code section
4 832.7(b).

5 36. The City is obligated to disclose all records requested by FAC "pursuant to the
6 California Public Records Act" because they are "record[s] relating to the report, investigation, or
7 findings of ... [a]n incident involving the discharge of a firearm at a person by a peace officer" or
8 "[a]n incident involving the use of force against a person by a peace officer ... that resulted in ...
9 great bodily injury." Penal Code § 832.7(b)(1)(A)(i)–(ii).

10 37. According to Penal Code section 832.7(b)(11), "records subject to disclosure under
11 this subdivision shall be provided at the earliest possible time and no later than 45 days from the
12 date of a request for their disclosure," except when "temporary withholding for a longer period is
13 permitted" under circumstances that do not apply to this case.

14 38. In addition or in the alternative, the City is obligated by the Public Records Act to
15 disclose the "video or audio recording[s]" requested by FAC because they relate to a "critical
16 incident" by depicting "[a]n incident involving the discharge of a firearm at a person by a peace
17 officer" or "[a]n incident in which the use of force by a peace officer ... against a person resulted
18 in ... great bodily injury." Gov't Code § 7923.625(e).

19 39. The City may not delay disclosure of the video or audio recordings requested by
20 FAC because more than 45 days have elapsed since the "critical incident" involving Mr. Evans,
21 and the City has no legally authorized grounds for delay. Gov't Code § 7923.625(a).

22 40. Under Penal Code section 832.7(b) or Government Code section 7923.625, the City
23 is obligated to disclose records requested by FAC immediately.

24 41. The City's violations of law set forth above will continue unless and until it is
25 commanded by this Court to produce the public records requested by FAC and to not engage in
26 such further violations of law by a declaratory judgment declaring its conduct unlawful.
27 Additionally, absent injunctive relief, the City will continue to withhold public information as it
28 has done here, resulting in great and irreparable injury to Petitioner and the public at large by

1 depriving them of immediate access to information vital to the public interest and necessary for
2 self-government. Petitioner has no adequate remedy at law because the relief it seeks does not
3 consist of monetary compensation but rather the enforcement of its statutory and constitutional
4 rights of access, and the harm it has suffered through the City's refusal to provide access to
5 information that is required to be disclosed under California law cannot be compensated through
6 an award of damages.

7 **CAUSE OF ACTION**

8 **(Unlawful Refusal to Disclose Public Records)**

9 42. Petitioner realleges and incorporates by this reference paragraphs 1 through 41
10 above as though fully set forth herein.

11 43. The Public Records Act provides that "access to information concerning the
12 conduct of the public's business is a fundamental and necessary right of every person in this
13 state." Gov't Code § 7921.000.

14 44. The records sought in FAC's Request and this Petition are public records as defined
15 in Government Code section 7920.530 because they concern the conduct of public business and
16 are necessary for FAC and the public to assess the performance of its peace officers in connection
17 with SDPD's use of force against Mr. Evans and the City's response.

18 45. The records sought in FAC's Request are subject to disclosure under the Public
19 Records Act, Penal Code section 832.7(b), and Article I, section 3(b) of the California
20 Constitution.

21 46. The City's refusal to disclose almost all records sought in FAC's Request violates
22 the Public Records Act, Penal Code section 832.7(b), and Article I, section 3(b) of the California
23 Constitution.

24 47. The City cannot show that the records sought by FAC's Request are exempt from
25 disclosure or that the City's delays in disclosure are justified.

26 48. FAC has no plain, speedy, and adequate remedy to obtain the public records it has
27 requested, other than the declaratory and writ relief sought by this Petition. FAC is entitled to
28 institute proceedings for a writ of mandate and for declaratory and injunctive relief to enforce the

1 right to obtain records responsive to FAC's Request. Further, the case should proceed consistent
2 with the requirement that Public Records Act cases be scheduled "with the object of securing a
3 decision as to the matters at issue at the earliest possible time." Gov't Code § 7923.005.

4 **PRAYER FOR RELIEF**

5 WHEREFORE, Petitioner prays as follows:

6 1. That the Court grant the Petition for Writ of Mandate and order the City to disclose
7 all of the records requested in FAC's Request;

8 2. That the Court grant declaratory relief finding and declaring that Article I, section
9 3(b) of the California Constitution, the Public Records Act, and Penal Code section 832.7(b)
10 mandate disclosure of the records sought in FAC's Request, and that the City's response and near-
11 total denial of FAC's Request violated the foregoing laws;

12 3. That the Court grant declaratory relief finding and declaring that the City's
13 response to and processing of FAC's Request violated Government Code section 7922.530(a),
14 Penal Code section 832.7(b)(11), and Government Code section 7923.625(a).

15 4. Alternatively, if the Court does not immediately issue the declaratory relief set
16 forth above and order the City to produce the records sought by FAC's Request, that the Court
17 order the City to show cause why the records should not be released and the requested declaratory
18 relief should not be awarded and order the City to prepare a log of withheld records, and that it
19 thereafter grant the requested declaratory relief and order that the requested records be disclosed;

20 5. Alternatively, if the Court does not immediately issue the declaratory relief set
21 forth above and order disclosure of the records sought by FAC's Request, that the Court conduct
22 an in camera review, if it deems it necessary, of some or all of the records sought by FAC's
23 Request pursuant to Government Code section 7923.105(a) and that it thereafter grant the
24 requested declaratory relief and order that the requested records be disclosed;

25 6. That Petitioner be awarded attorney's fees and costs against the City and/or any
26 other individual or entity who may attempt to block disclosure of the records sought by FAC's
27 Request pursuant to Government Code section 7923.115(a) and/or Code of Civil Procedure
28 section 1021.5; and

At all times relevant herein, each of the individual SDPD Officers were working within their course and scope for Defendant CITY.

26. Defendant the CITY is a public entity, and is a city in the County of San Diego, California.

27. PLAINTIFF is ignorant as to the true names, identities, and capacities of Defendants DOES 1 through 50, inclusive. Therefore, PLAINTIFF sues these Defendants under the fictitious designation of DOES 1 through 50. PLAINTIFF will amend this Complaint once their identities have been ascertained as well as facts giving rise to their liability.

28. The individual defendants, including all individual DOE defendants, carried out the actions complained of in their individual capacities, under color of state law, in the course and scope of their employment with their respective law enforcement agencies. 30. On November 13, PLAINTIFF filed a Claim Form with the CITY as required by California Government Code §§ 910, *et seq.* On December 16, 2024, the CITY denied

1 PLAINTIFF's claim. PLAINTIFF timely brings this lawsuit. A true and correct copy of such
2 denial is attached hereto as *Exhibit "A"* and is incorporated by reference.

3 **FACTUAL ALLEGATIONS COMMON TO ALL CAUSES OF ACTION**

4 *San Diego Police Department Violently Released a K9 Officer who Maimed and Injured Plaintiff*

5 31. On October 24, 2024, SDPD responded to a report of a man allegedly displaying a
6 weapon during an altercation. The reporting party told SDPD the suspect entered a residence near
7 the 6400 block of Duluth Avenue.

8 32. SDPD OFFICERS immediately surrounded the location. At the scene, there were
9 at least twenty-two (22) officers, at least four (4) SDPD vehicles, and at least two (2) vehicles
10 were marked as "Police K9." A helicopter was also aerially surveilling the residence.

11 33. The SDPD OFFICERS called for the occupants of the residence to exit one by one.
12 Complying with SDPD directives, three (3) individuals exited the residence one (1) at a time.
13 Each individual exited the residence with their hands raised, stopped at the end of the driveway,
14 spun around to demonstrate they had no weapons, then walked backwards toward the officers as
15 instructed.

16 34. PLAINTIFF was the fourth individual to exit the residence. PLAINTIFF is a
17 thirty-two (32) year old Black man, and a father, who is gainfully employed in the construction
18 industry. PLAINTIFF's family members are employed by or have been employed by the CITY
19 for decades.

20 35. PLAINTIFF complied with all SDPD orders and commands as he exited the
21 residence barefoot, shirtless, and in thin shorts with his arms raised. PLAINTIFF was visibly
22 unarmed and posed no threat to the SDPD OFFICERS at any time during the incident.

23 36. SDPD OFFICERS inexplicably deployed multiple attacks of force directed at
24 PLAINTIFF. These attacks of force met PLAINTIFF despite PLAINTIFF not exhibiting *any*
25 signs of active resistance to SDPD instructions and commands.

26 37. SDPD OFFICERS shot PLAINTIFF with at least three (3) beanbag rounds. These
27 beanbag rounds severely injured PLAINTIFF, including, but not limited to, breaking his right

1 tibia.

2 38. PLAINTIFF was knocked to the ground, where his arms remained raised, by the
3 first beanbag shot. PLAINTIFF was curled in fetal position writhing in pain. PLAINTIFF was
4 completely immobilized after the first beanbag round hit him. At this time, it is unclear which of
5 the SDPD OFFICERS deployed the first shot.

6 39. Despite PLAINTIFF's immobilization, SDPD OFFICERS continued to deploy at
7 least two (2) more beanbag rounds.

8 40. As SDPD deployed numerous beanbag rounds at PLAINTIFF's barely clothed
9 body, PLAINTIFF begged and pleaded for SDPD OFFICERS not to shoot him. PLAINTIFF
10 continued to comply with all SDPD instructions and commands as he pleaded not to be harmed.
11 As SDPD OFFICERS ignored PLAINTIFF's pleas, PLAINTIFF cried out for help and called for
12 his uncle.

13 41. SDPD OFFICERS continued to exercise persistent force against PLAINTIFF.
14 Throughout the entire display of their continuous attacks of force against PLAINTIFF,
15 PLAINTIFF remained immobilized. PLAINTIFF laid on the ground, in agony, with his hands
16 raised. PLAINTIFF's pleas for help continued. SDPD OFFICERS continued to ignore
17 PLAINTIFF's helpless pleas and deployed the use of a K9 police officer at least two (2) times.

18 42. SDPD OFFICERS first deployed the K9 officer immediately after PLAINTIFF
19 was shot with the second beanbag round. The K9 officer made contact with PLAINTIFF but
20 ultimately retreated to the source officer. PLAINTIFF remained seated on the driveway, with his
21 hands still raised.

22 43. SDPD OFFICERS deployed a K9 officer for a second time. This time, the K9
23 officer attacked PLAINTIFF immediately after he was shot with the third beanbag round. During
24 the attack, PLAINTIFF was immobilized, seated on the step of the driveway, with his hands
25 raised. The K9 officer rushed PLAINTIFF's body and violently latched onto PLAINTIFF's arm.
26 The K9 officer's teeth remained attached to PLAINTIFF, vigorously shaking him around for
27 approximately forty (40) seconds while PLAINTIFF screamed in pain and confusion. As the K9

1 officer was recalled by the source officer, the K9 officer did not disengage from PLAINTIFF and
2 remained latched to his arm causing further injury. Because the K9 officer failed to recall and
3 disengage, the SDPD OFFICERS had to forcibly remove the K9 officer from PLAINTIFF's
4 body. As a result of the K9 officer's forceful bite, PLAINTIFF screamed in agonizing pain.

5 44. SDPD's use of the K9 officer was a display of excessive force in contravention of
6 both SDPD's training and California's Peace Officer Standards and Training ("POST") standards.
7 PLAINTIFF posed no direct or immediate threat to any of the SDPD OFFICERS present nor any
8 member of the community. Yet, SDPD OFFICERS fired at least three (3) beanbag rounds and
9 violently deployed a K9 officer twice.

10 45. PLAINTIFF sustained serious injuries as a result of the unreasonable conduct and
11 excessive force of SDPD OFFICERS.

12 46. Throughout PLAINTIFF's encounter with SDPD, numerous SDPD OFFICERS
13 and supervisory officers, stood around and watched the use of force continuously increase. Their
14 use of force only increased as time went on despite PLAINTIFF's failure to display active
15 resistance to any of the SDPD OFFICERS' commands. The SDPD OFFICERS, including other
16 supervisory officers, failed to ensure proper use of force was utilized throughout the situation.
17 Rather, these SDPD OFFICERS, including supervisor officers, merely stood by and watched as
18 other SDPD OFFICERS continued to escalate the force against PLAINTIFF in contravention of
19 SDPD's training and California's POST standards.

20 47. Further displaying excessive force, while on the scene, SDPD OFFICERS also
21 ordered PLAINTIFF's uncle to exit the residence. However, at the time SDPD OFFICERS
22 arrived, PLAINTIFF's uncle was attached to his dialysis machine and could not leave the house.
23 Instead, PLAINTIFF's seventeen (17) year old cousin exited the residence with his arms raised to
24 explain to the SDPD OFFICERS that his father was undergoing treatment for dialysis and could
25 not safely exit the residence.

26 48. When PLAINTIFF's minor cousin exited the residence with his hands raised,
27 SDPD OFFICERS immediately aimed their weapons, including guns, at him. PLAINTIFF had

1 two other minor cousins who were also required to exit the residence. These minors also exited
2 the residence, following all directions, with their arms raised, and had weapons, including guns,
3 aimed directly at them. At no time, did these minors fail to comply with the SDPD OFFICERS'
4 instructions nor did they pose any threat to them. Yet, guns remained aimed at them the entire
5 time.

6 49. Eventually the SDPD OFFICERS entered the residence where they forced
7 PLAINTIFF's uncle to disconnect from his critical dialysis treatment. Although he was connected
8 to a dialysis machine and also posed no threat to SDPD OFFICERS, PLAINTIFF's uncle was
9 also met with weapons pointed at him.

10 50. Following this diabolic series of events, PLAINTIFF was finally transported to the
11 hospital for the injuries he sustained from the multiple beanbag rounds and the K9 officer attacks.
12 All the while, PLAINTIFF was in disbelief because he had done nothing wrong or threatening to
13 the police; his only "crime" was being a Black man living in a neighborhood in San Diego
14 County, California.

15 51. What's worse, no criminal charges were filed against PLAINTIFF relating to this
16 incident; again, because he had done nothing wrong.

17 52. After video footage of the brutal attack on PLAINTIFF was posted online by a
18 concerned citizen, veteran SDPD Officer, Johnnie Cochran, filed a complaint with the CITY and
19 SDPD internal affairs because of the excessive use of force by the SDPD OFFICERS on the
20 scene.

21 *Police Weaponization of K9 Officers*

22 53. In January 2024, American Civil Liberties Union California Action ("ACLU CA
23 Action") released a report analyzing the use of K9 officers by police departments throughout
24 California. This report established: (1) police use K9 officers to inflict serious injury on people
25 who do not pose danger to officers or others; (2) police use K9 officers to perpetrate racialized
26
27
28

1 violence; and (3) K9 officers fail to stop attacking when recalled.¹ Each of these findings were
2 experienced by PLAINTIFF.

3 54. Notably, more Californians suffered life-threatening or life-altering injuries from
4 K9 officer attacks than those similarly harmed by batons or tasers.² The California Department of
5 Justice reported K9 officers account for more than one in ten uses of force that result in serious
6 injury each year.³

7 55. Throughout California, the use of K9 officers is most common when the suspect
8 poses no serious danger to the officer or to others. Most injured by K9 officers are not combative
9 or even running from police – at most these individuals have displayed “passive resistance.” In
10 fact, ACLU CA Action report concluded the use of K9 officers is intentionally primarily limited
11 to instances where the civilian does not pose a serious threat nor is suspected of any serious
12 crime. The report also highlights the frequent use of K9 officers against people who are laying
13 down, restrained, or with their hands in the air.⁴ This likely explains the manner of treatment to
14 which PLAINTIFF was subjected, as described herein.

15 56. Even worse, K9 officers are disproportionately deployed against People of Color.
16 Specifically, Black Californians are 2.6 times more likely to be seriously injured by K9 officers
17 than White Californians.⁵ These statistics are on full display in the San Diego Police Department
18 as well—as was the case with PLAINTIFF. In fact, a San Diego Police officer K9 handler

1 “joked” that his K9 officer “only likes dark meat” as the K9 officer was deployed to arrest a
2 Woman of Color.⁶

3 57. SDPD also has a custom and practice of releasing K9 officers to inflict injury on
4 individuals:

- 5 • On July 9, 2017, SDPD deployed a K9 officer on a Black man experiencing
6 distress and standing in traffic. The K9 officer continued to bite the man after he
7 was handcuffed and on the ground;
- 8 • On December 3, 2015, SDPD deployed a K9 officer on a man whose wife called
9 for psychiatric help. No psychiatric team was present;
- 10 • On April 15, 2015, SDPD deployed a K9 officer on a man who was naked in a
11 canyon. The man sustained serious injuries to his leg and filed a lawsuit against
12 SDPD when the K9 officer bites became infected; and
- 13 • On February 11, 2010, SDPD deployed a K9 officer on a woman who fell asleep
14 in her office afterhours setting off the alarm. The K9 officer attacked the woman
15 and bit her face and lip while she was asleep.⁷

16 58. SDPD’s policies and procedures for use of K9 officers does not limit deployment
17 to incidents where a threat of serious injury is present. SDPD’s policies and procedures for K9
18 officers is not limited to apprehension of violent crimes nor is it limited to felony arrests. SDPD’s
19 policies and procedures also permit the deployment of K9 officers against people experiencing
20 mental health crises. Finally, SDPD utilizes K9 officers for crowd control.

21 59. In 2018, the Right to Know Act, SB 1421, was approved and signed into law. This
22 law requires law enforcement agencies to publish the full investigation and disciplinary records

1 when the department found evidence of: (a) violation of the law; (b) lying while carrying out their
2 law enforcement duties; (c) using excessive force; (d) failing to intervene against another officer
3 that used excessive force; (e) exhibiting prejudice or discrimination; or (f) making an unlawful
4 search or unlawful arrest. From 2014 to 2022, there were sixty-eight (68) internal affairs
5 investigations for SDPD. These investigations revealed multiple findings of discriminatory
6 behavior by SDPD officers. However, thirty-seven (37) of these investigations were missing files
7 with disciplinary information. As of 2023, over half of the SDPD officers named in the
8 misconduct investigations are still employed with the agency.⁸

9 60. ACLU CA Action sought to obtain SB 1421 records from SDPD but was
10 unsuccessful. SDPD indicated SB 1421 records existed but did not produce any records for
11 review.⁹

12 *SDPD's Policies, Customs, and Practices*

13 61. Unfortunately, SDPD has a problem with racial bias and discrimination,
14 necessitating the need for legal intervention. This is also a nationwide and statewide problem,
15 resulting in the Legislature attempting to create laws to address the problems.

16 62. In 2016, San Diego State University performed a study regarding SDPD's policies,
17 customs, and practices. SDPD's unspoken policy was on full display in this independent study,
18 wherein the analysis of SDPD's data showed that Black and Hispanic people are more likely to be
19 searched and questioned in the field after being stopped.

20 63. According to the National Justice Database City Report on SDPD, Black people
21 made up 14.8% of all people who experienced traffic stops from 2017-2020. Once stopped, Black
22 people were searched 2.5 times as often as White people. Not only that, but the report found that
23 Black people were subjected to force 5 times as often as White people per year on average,
24 considering the population size of each group.

25
26 ⁸ Alexis Rivas, *supra* note 6.

27 ⁹ ACLU California Action Report, *supra* note 1 at Appendix B.

1 64. Because Black and Hispanic people are stopped more frequently, this also
2 increases their chance of K9 officer use. These factors explain the treatment to which
3 PLAINTIFF was subjected, as described herein.

4 65. The Police Scorecard is the first nationwide public evaluation of policing in the
5 United States. The Scorecard calculates levels of police violence, accountability, racial bias and
6 other policing outcomes for over 16,000 municipal and county law enforcement agencies,
7 covering nearly 100% of the US population. The indicators included in this scorecard were
8 selected based on a review of the research literature, input from activists and experts in the field,
9 and a review of publicly available datasets on policing from federal, state, and local agencies.

10 66. The Police Scorecard evaluated the policing practices of San Diego Police
11 Department, and their results show the department to be engaged in a pattern of discriminatory
12 policing.

13 67. SDPD not only used force more often but also used more severe forms of force
14 against Black people than other groups, even after controlling for arrest rates and alleged level of
15 resistance. In fact, Black people were stopped – in traffic or pedestrian stops – by San Diego
16 police at a rate 219% higher than white people. San Diego police made 35,038 stops of Black
17 people during a 12-month period in a city with a total of 88,774 Black residents. Black people
18 were more likely than white people to be stopped in 85% of San Diego Police Department beats.
19 Moreover, fewer than 15% of these stops were initiated from civilian calls for service (*i.e.*, 911
20 calls), indicating that these racial disparities are the product of police decision-making rather than
21 officers responding to community calls for assistance.

22 68. Given all of the above, PLAINTIFF's experience proves to be in line with SDPD's
23 documented patterns and practices of mistreating people of color despite what their written
24 policies say. In fact, SDPD has been a defendant in numerous lawsuits very similar to this one,
25 which clearly demonstrates a deliberate indifference to the rights of citizens by SDPD's
26
27
28

1 management.¹⁰ SDPD is and has been on notice of the glaring deficiencies in its policies and
2 practices relating to racial inequality, yet the municipality has failed to address the issues. The
3 deluge of lawsuits only solidifies that sad fact.

15 71. PLAINTIFF had a firmly established right under the Fourth Amendment to be free
16 from wrongful arrest and detention.

17 72. At the time of PLAINTIFF's arrest and detention, SDPD OFFICERS and DOES
18 1-25, inclusive, and each of them, had no probable cause to believe that PLAINTIFF had
19 committed a crime. In fact, no charges were ever filed against PLAINTIFF.

20 73. Said defendants intentionally and unlawfully exercised force or the express or
21 implied threat of force to restrain, detain, or confine PLAINTIFF.

22 74. Said defendants, particularly supervisory DOE defendants, authorized,
23 encouraged, directed, or assisted officers in either doing an unlawful act or procuring without
24 proper process PLAINTIFF's arrest.

25
26 ¹⁰ See, e.g., *McKinnie v. City of San Diego, et al.*, No. 3:24-cv-00827 (S.D. Cal. 2024) [Hon. Marilyn Huff
27 affirmed *Monell* liability for the municipality on similar, racial grounds, relying in large part upon the
studies and statistics cited herein]; see also, e.g., *Brandon, et al. v. City of San Diego, et al.*, No. 3:24-cv-

14 80. There was no lawful basis for PLAINTIFF to be arrested, detained, or imprisoned
15 by SDPD OFFICERS.

16 81. As a direct and proximate result of the actions of said defendants, PLAINTIFF
17 suffered harm to be determined at trial.

18 **THIRD CAUSE OF ACTION**

20 *(Against the CITY, WAHL, and DOES 26-50, inclusive)*

21 82. PLAINTIFF realleges all prior and subsequent paragraphs of this complaint and
22 incorporate the same by reference.

23 83. Defendants the CITY, WAHL, and DOES 26-50, inclusive, and each of them, as a
24 matter of custom, practice, and policy, failed to adequately and properly screen and hire SDPD
25 OFFICERS.

26 84. The failure of said defendants, their agents, directors, officers, and employees to
27 properly screen and hire defendant police officers as a matter of policy, custom, and practice, in

1 the exercise of their functions, was deliberately indifferent to the Constitutional rights of
2 PLAINTIFF and done with conscious disregard for the dangers of harm and injury to
3 PLAINTIFF and others similarly situated.

4 85. Due to the acts of said defendants, the failure to properly screen and hire police
5 officers, and the continued employment of SDPD OFFICERS, and each of them, presents a clear
6 and present danger to the residents of the city of San Diego.

7 86. The lack of adequate screening and hiring practices by said defendants evince

16 ***(Against the CITY, WAHL, and DOES 26-50, inclusive)***

17 89. PLAINTIFF reallege all prior and subsequent paragraphs of this complaint and
18 incorporate the same by reference.

19 90. Defendants the CITY, WAHL, and DOES 26-50, inclusive, and each of them, as a
20 matter of custom, practice, and policy failed to maintain adequate and proper training for police
21 officers in the department necessary to educate the officers as to the Constitutional rights of
22 arrestees; the consistent and systematic use of inappropriate intimidation, discrimination, and
23 racially-profiling tactics.

24 91. The failure of said defendants, their agents, servants, and employees to properly
25 train defendant police officers as a matter of policy, custom and practice, in the exercise of their
26 functions, was deliberately indifferent to the Constitutional rights of PLAINTIFF and done with
27

1 conscious disregard for the dangers of harm and injury to PLAINTIFF and others similarly
2 situated.

3 92. Said defendants failed to provide adequate training to police officers that hold the
4 power, authority, insignia, equipment, and arms entrusted to them.

5 93. Therefore, said defendants, with deliberate indifference, disregarded a duty to
6 protect the public from official misconduct.

7 94. The failure of said defendants to promulgate or maintain constitutionally adequate
8 policies regarding training was done with deliberate indifference to the rights of PLAINTIFF and
9 others similarly situated.

10 95. The constitutionally infirm lack of adequate training as to the officers in this case
11 caused PLAINTIFF's damages.

12 **FIFTH CAUSE OF ACTION**

13 **Failure to Properly Supervise and Discipline (42 U.S.C. § 1983)**

14 ***(Against the CITY, WAHL, and DOES 26-50, inclusive)***

15 96. PLAINTIFF realleges all prior and subsequent paragraphs of this complaint and
16 incorporate the same by reference.

17 97. Defendants the CITY, WAHL, and DOES 26-50, inclusive, and each of them, as a
18 matter of custom, practice, and policy, failed to supervise and discipline police officers in order to
19 prevent the consistent and systematic use of inappropriate intimidation, discrimination, and
20 racially-profiling tactics.

21 98. Said defendants failed to provide adequate supervision to police officers that hold
22 the power, authority, insignia, equipment, and arms entrusted to them.

23 99. Said custom, practice, and policy included a failure to adequately investigate,
24 supervise, and discipline the offending officers which fostered the custom, practice, and policy
25 within SDPD, resulted in the above-plead injuries to PLAINTIFF.

26 100. Therefore, said defendants, with deliberate indifference, disregarded a duty to
27 protect the public from official misconduct.

1 101. The failure of said defendants to promulgate or maintain constitutionally adequate
2 policies regarding investigation, supervision, and discipline was done with deliberate indifference
3 to the rights of PLAINTIFF and others similarly situated.

4 102. The conduct alleged herein violated PLAINTIFF's rights alleged above which has
5 legally, proximately, foreseeably, and actually caused PLAINTIFF to suffer emotional distress,
6 pain and suffering, and further damages according to proof at the time of trial.

9 ***(Against the CITY, WAHL, and DOES 26-50, inclusive)***

10 103. PLAINTIFF realleges all prior and subsequent paragraphs of this complaint and
11 incorporate the same by reference.

12 104. Defendants the CITY, WAHL, and DOES 26-50, inclusive, and each of them,
13 maintained a custom, policy, or practice within the meaning of *Monell*, of making inappropriate
14 and illegal contacts despite lacking reasonable suspicion or probable cause. These illegal contacts
15 then lead to using excessive force, falsely arresting, and otherwise burdening citizens who object
16 to unlawful profiling, harassment, and discriminatory actions by SDPD OFFICERS.

17 105. Said defendants maintained an unconstitutional policy with respect to contacting,
18 detaining, searching and arresting citizens based on unlawful racial profiling. Despite having
19 policies and procedures regarding these topics, SDPD failed to enforce its own policies, choosing
20 instead to ratify and/or allow unlawful conduct on the part of its employees.

21 106. The conduct alleged herein violated PLAINTIFF's rights alleged above which has
22 legally, proximately, and foreseeably caused PLAINTIFF to suffer emotional distress, pain and
23 suffering, and further damages according to proof at the time of trial.

Location of Incident or Accident (Be Specific)*

6461 Duluth Avenue, San Diego, CA 92114

Basis of Claim - State in detail all facts and circumstances of the incident.*

On 10/24/24 at approximately 11:27 pm, San Diego Police were called to MLK Park near 6400 Skyline for a report of a man allegedly displaying a weapon during an altercation. The individual stated that the suspect entered a residence near the 6400 block of Duluth Avenue. Police surrounded the location and called for the occupants of the building to come out. One of the occupants, Claimant Mr. Marcus Evans, D.O.B. [REDACTED] complied with police commands and exited the residence barefoot, topless and with his hands up; clearly unarmed. Despite posing absolutely zero threat to officers, SDPD officers inexplicably decided to deploy multiple attacks of force, including beanbag rounds and the deployment of a K9 dog who attached to Claimant's arm - in contravention of both SDPD's training policies and POST standards. This misconduct resulted in serious and traumatic injuries to Claimant. Not only did SDPD officers deploy beanbag rounds multiple times, but they also deployed k-9 officers multiple times as well. No charges were filed against Claimant and officers transported him to the hospital due to his serious injuries.

State why you believe the City is responsible for the alleged injury, property damage, or loss

The individuals who assaulted Claimant were employees of the City (i.e., San Diego Police Department Officer). Claimant posed no threat to the officers, yet SDPD officers deployed multiple attacks upon him, resulting in harm.

D.

Description of Alleged Injury, Property Damage, or Loss*

Claimant suffered serious injuries and was transported to the hospital. The injuries resulted from being shot by beanbag rounds multiple times, and also his left arm was mauled by the K9 unit. Claimant's injuries are ongoing.

This Department procedure establishes guidelines for the use of Kinetic Energy Weapon (KEW) Systems.

II. SCOPE

This procedure applies to all sworn members of the Department. This does not limit SWAT Personnel from using additional KEW systems. For use of specialty munitions by SWAT, refer to Department Procedure 1.36, Use of Specialty Munitions.

III. BACKGROUND

- A. The San Diego Police Department recognizes and respects the value of human life and the dignity of every individual. It further recognizes that the primary duty of our officers is to preserve human life.
- B. The officer's use of a KEW will be evaluated and reviewed in accordance with policies and procedures outlined in Department Procedure 1.04, Use of Force.

IV. DEFINITIONS

- A. 40MM - this KEW is a 40MM single shot launcher; the Penn Arms model GL1-40, and DEF TECH model 1426, are just two examples.

NEW

B. 40MM ammunition - the 40MM KEW round is a sponge baton cartridge. The current Department-authorized 40MM round is manufactured by Defense Technology Corporation (eXact iMPact sponge round, approximately 36 to 38 grams). The sponge round has a blue-colored nose with a black base. The casing is stainless.

C. Beanbag shotgun - this KEW is a standard Remington Model 870, 12-gauge shotgun that has been modified with an orange stock and fore-end.

NEW

D. Beanbag ammunition - the 12-gauge KEW ammunition, commonly known as a beanbag round, consists of a fabric sock containing lead shot contained within a standard 2 ¾ inch shot shell casing. The current Department-authorized round is manufactured by Combined Tactical Systems (12-gauge round, shot-filled flexible sock, approximately 40 grams, with an opaque shell, labeled “2581 Super-Sock”).

E. Contact officer - the officer who deploys the beanbag shotgun or 40MM.

F. Cover officer - the officer(s) who provides “deadly force” backup.

NEW

G. Kinetic Energy Weapon (KEW) Systems - the KEW Systems consist of a device firing a special projectile designed to gain compliance, overcome resistance, or prevent serious injury or death to suspects, officers and bystanders. The Department currently uses two KEW systems. Both the beanbag shotgun and 40MM single shot launching system shall be classified as “Kinetic Energy Weapon” for identification within Department Procedure 1.04, Use of Force.

V. **FIRING DISTANCES**

A. All distances for KEW systems shall be measured from the muzzle end of the weapon’s barrel.

B. Officers generally should not fire either KEW from a distance of less than five (5) feet, or 1.5 meters. Severity of the circumstances at hand and shot placement, rather than deployment range, - are the critical factors in determining the extent of any injury caused by either projectile.

NEW

C. The maximum effective range of the beanbag shotgun is generally sixty (60) feet (20 yards).

NEW

D. The maximum effective range of the 40MM single shot launcher is generally one hundred twenty (120) feet (40 yards).

NEW

E. The target area from all distances should be the lower girdle area of the subject. This would include the lower abdominal region (belly button area) and below. Generally, the head, neck, thorax, heart, groin, and spine area should not be targeted.

VI. **PROCEDURES**

A. Authorized Users

1. Officers shall not deploy a KEW until they have successfully completed the required Department-approved training.
2. After the initial training, officers will be required to qualify annually with the KEW systems in conjunction with a Department Proficiency Shoot.
3. All Patrol personnel trained in the use of the beanbag shotgun will carry one in the field; currently beanbag shotguns are assigned to every marked patrol vehicle.

B. KEW Storage

- NEW
1. Beanbag shotguns and 40MM are maintained in firearm cases that shall be carried horizontally within police vehicles that have an available trunk. In the case of the police SUVs, the beanbag shotguns shall be placed horizontally in the provided spring-loaded metal clasp mounted below the rear cargo compartment divider of the vehicle. The 40MM shall be maintained in firearms cases and carried in the lower portion of the rear cargo compartment of the police SUV. Officers are prohibited from carrying the KEW in the vehicle interior rack.
 2. Beanbag shotguns shall be carried unloaded until time of deployment - safety “on”, hammer down on an empty chamber with four rounds in a buttstock mounted sleeve.
 3. The 40MM shall be carried unloaded until time of deployment. If the 40MM round is not used during deployment, the unused round will be unloaded and inspected for integrity.
 4. All officers deploying the KEW systems are responsible for ensuring that only KEW ammunition is loaded into, or stored with, the designated weapons.
 5. Officers are prohibited from “cross-loading” either the beanbag shotgun or standard shotgun with inappropriate rounds.

C. KEW Loading and Unloading

1. To reduce the danger of injury associated with unintentional discharge, the beanbag shotgun shall never be loaded or unloaded inside a vehicle, in a police station, or under any overhead structure. If close to multi-storied buildings (e.g., Headquarters E Street parking lot), ensure the muzzle is pointed in a safe direction at all times.
 - a. At the beginning of the shift, the driver of the unit shall ensure the

beanbag shotgun is unloaded, safety “on”, hammer down on an empty chamber, empty magazine tube. The beanbag shotgun should not be loaded until time of deployment. When loaded for deployment, the beanbag shotgun shall be loaded to “patrol ready” in the prescribed manner - safety “off”, hammer down on an empty chamber with four rounds in the magazine tube.

NEW

- b. **In addition to the above-mentioned loading procedures, prior to the time of deployment, the officer in charge of deploying the weapon shall have a witness officer present to observe, confirm, and ensure the correct munitions are loaded into the appropriate corresponding KEW. This process will take place each time the KEW changes possession between officers or has been retrieved after being secured for any length of time.**
- c. Upon conclusion of the incident in which a beanbag shotgun round has been chambered, the officer who chambered the round shall unload the beanbag shotgun in the currently prescribed manner and return it to the trunk unloaded with the rounds in the buttstock sleeve.

- 2. The 40MM should not be loaded until time of deployment.

D. KEW Cleaning, Maintenance, Repairs, and Inspections

- 1. Area commands will assign qualified SWAT personnel to conduct a monthly maintenance program for their assigned KEW systems. The maintenance program shall include removal, cleaning, and inspection of the beanbag shotguns and 40MM.
- 2. Any beanbag shotgun or 40MM requiring repair shall be taken out of the field and taken to the Range.
- 3. All KEW systems shall be inspected pursuant to the Police Department Inspection Guide.
- 4. All patrol KEW systems shall be inspected monthly, and if necessary, test-fired to establish “Point-of-Aim / Point-of- Impact.
- 5. SWAT shall maintain their issued KEW systems to their established guidelines.

NEW

E. KEW Deployment Procedures

- 1. Officers may deploy a KEW on subjects demonstrating assaultive behavior or life-threatening behavior, as defined in Department Procedure 1.04, Use of Force. The KEW may also be used to control an actively resistive subject reasonably believed to possess or have

immediate access to a deadly weapon, within the force guidelines of Department Procedure 1.04, Use of Force.

2. Officers shall always have immediate “deadly force” backup when deploying the KEW.
3. The contact officer shall inform assisting officers that the KEW is 10-97 at a scene and, whenever possible, notify Communications Division. Communications shall repeat this information to responding units and activate the “emergency tone” when appropriate.
4. If a subject fails to comply with commands, officers should verbally warn the subject of their intention to fire prior to discharging the KEW, unless a warning would not be feasible, due to safety concerns.
5. When feasible, prior to deploying each KEW round, officers will announce they are firing their KEW to prevent “contagious” or “sympathetic” fire. Officers should state, “Firing Beanbag” or “Firing Forty” when discharging either KEW.
6. Officers, generally, should not deploy a KEW at a subject when there is a danger of the subject falling from a significant height.
7. The KEW is intended to assist in gaining compliance from the subject. Multiple shots to the same body part should be avoided. If additional shots are required, they shall be directed to different parts of the body. The subject should be taken into custody as soon as possible after the discharge of the round(s).
8. KEW systems are limited use weapons. They shall not be used for any other purpose than those listed in section VI, E, 1.

F. Medical Treatment

1. In the event a person is struck by a KEW projectile, the arresting officer shall ensure that the subject is taken to a medical facility for treatment prior to being booked into jail or released.
2. The name of the medical facility, attending physician(s), sustained injuries, or lack of injuries, shall be documented in the arresting officer’s report.
3. Jail personnel will be notified of the use of the KEW. The information on which system was used shall be noted on the booking slip.

G. Reporting Requirements

1. The discharge of a KEW shall be considered the same as any authorized impact weapon when reporting the use of force. The KEW shall not be reported as the use of a firearm. Officers discharging KEW ammunition shall report the incident in accordance with Department Procedure 1.04, Use of Force, and complete the required report, e.g. Case Report or Officer's Report, in addition to a **BlueTeam** entry.
2. Whenever a person has been struck by a KEW, the officer who deployed the munitions shall notify a field supervisor.
3. The field supervisor shall respond to the scene and evaluate the circumstances surrounding the incident.
4. When appropriate, the field supervisor shall notify the Watch Commander of the incident, in accordance with Department Procedure 1.04, Use of Force.
5. The unintentional discharge of a KEW shall be treated the same as the unintentional discharge of a firearm, as outlined in Department Procedure 1.05, Firearm Procedures. In the event of an unintentional discharge, the officer shall report the incident immediately to a supervisor. The supervisor shall conduct an investigation and complete a Shooting Incident Report form (PD-128), as well as a **BlueTeam** entry.
6. In all incidents where a KEW has been fired, the expended rounds should be impounded, if feasible. The officer's report shall include:
 - a. Approximate distance from the suspect when fired;
 - b. Point of aim/point of impact; and,
 - c. Injuries or property damage.
7. In accordance with Department Procedure 1.23, Department Equipment Accountability Procedures, officers who misplace or lose any KEW ammunition shall prepare an Officer's Report describing the loss. The report shall be submitted to their commanding officer for approval.
